BRIDAL INFORMATION BOOKLET

'I just want to say a huge thank you for being such an amazing part of our wedding day. My hair stayed flawlessly in place all night, and the bridesmaids look absolutely gorgeous, too. Your calm and fun energy was exactly what we needed during the morning prep!

Thank you also for the sweet and thoughtful wedding gifts. Opening them was such a lovely highlight, and I will always treasure your kindness. Thank you for going above and beyond for me!

ABOUT ME

I have been working in the hair industry since the age of 16, and creativity has always been at the heart of everything I do. From a very young age, I knew I needed to put that creativity to use. My creative journey began with art and, over the years, evolved into crafting miniatures—something I still love today. While it certainly tests my patience at times, I find it incredibly therapeutic. As a mum to two wonderfully creative young girls, life is always busy and full of imagination. Whether it's cooking, drawing, or making things, they keep me on my toes—and it's clear they've inherited my love for creating. While working in a busy salon environment, I realised my creativity wasn't being used to its full potential. That realisation led me to open my own business, Flawless. Over the years, Flawless has evolved through various brand and business changes, eventually leading me to what I can now truly call my dream career.

I have worked incredibly hard to perfect my skills as a bridal stylist, and one thing is certain: the learning never stops. Education and growth are a continuous part of my journey.

Today, I am fortunate enough to create beautiful, show-stopping hair for my brides and to be present for all the unforgettable “firsts” on their wedding mornings.

I truly love what I do.

MY WORK

I BELIEVE EVERY BRIDE DESERVES TO FEEL AND LOOK HER MOST BEAUTIFUL ON HER WEDDING DAY.

HAVING BEEN HONOURED TO BE PART OF SO MANY WEDDING MORNINGS, I WOULD LOVE FOR YOU TO BE ONE OF THEM.

I don't simply show up on the day and do your hair. The magic begins long before your wedding day.

Clear and consistent communication is at the heart of everything I do. In the lead-up to your wedding, I take the time to learn all the finer details, ensuring your experience is as seamless, calm, and enjoyable as possible.

I also liaise directly with your other suppliers to ensure timings run smoothly and everyone is perfectly aligned—so you can relax knowing every detail has been thoughtfully taken care of.

Alongside professionalism, I bring warmth, positivity, and a bubbly energy to every appointment, both in the lead-up to and on your wedding day, helping to create a relaxed and joyful atmosphere when it matters most.

I truly believe this is more than just a hair service.

It's so much more than a hairstyle—it's an experience, one you will remember for a lifetime.

'Beth did mine and my bridesmaids' hair on my wedding day in May 2026.

I have very fine and straight hair that doesn't hold well, but Beth put me at ease from the moment I sat in the chair during my trial. My curls help better than they have before and she made me feel so relaxed. On the day, we had such a lovely time getting ready and I loved hoe my hair looked! My curls held all night through all the dancing and I couldn't be happier with how it looked.

**Thank you Beth for making my hair look so lovely and for helping make my wedding day so special!
I couldn't recommend her enough!**

F&Q'S

Is there a minimum booking requirement?

Junior bridal members can only be booked alongside an adult booking, otherwise there is no minimum booking.

How long does the hair take per person?

The time can vary depending on what type of hairstyle you're after. It usually takes around 1 hour per person. This gives me wiggle room between bridal members to allow for differing hair thickness, applying hair extensions and more complex styles. A refined timeline will be sent to you after the trial

Why do I need to pay a deposit?

Whilst covering the admin time, the deposit secures your date and protects the quote, as I review my prices every year.

Can your bridal members have a trial too?

Of course! If your bridal members would like a trial, please contact me and I can arrange this with you.

What do I need to do to prepare myself for the trial?

If you have booked a trial, I will send over all the information via email. At this current time, I am salon based on Mondays (in Basingstoke) and a mobile stylist between Wednesday's to Saturday's. I have everything you will need for a successful trial. Please let me know, in the enquiry process, where you would like your trial to take place.

Is your equipment PAT tested?

Yes, all my electrical equipment has been PAT tested. I have a certificate if needed.

When are the payments due?

The deposit of £50 is due on the booking of the services. The remaining 50% of the total fee is then due at the trial (If you have opted out of a trial, this will be due 2 months before the wedding date) The final fee is then due 1 week before the wedding date.

How long in advance do I need to book?

The earlier the better! Lots of suppliers, including myself get booked 1-2 years in advance! If you have your eye on a supplier you LOVE, book them to save the disappointment!

Where can I find the terms and conditions?

A full terms and conditions will be sent along side the quote. Please read through this thoroughly. The T&C's covers cancellation policies, changes to the booking etc. Once the deposit has been paid, this is your agreement to the terms and conditions.

Do you supply hair extensions?

At this current time, I do not supply hair extensions. However, I do work with extensions if you have them installed or with you for your big day. If you are looking at purchasing them, I am happy to recommend my favourite brands!

Are you insured?

I am fully insured and I can provide the details to yourself and the venue if needed.

'I would highly recommend Beth for bridal hair. As a very self conscious person it was really important to me on my wedding day that my hair looked good. At the trial appt I shared a picture of my ideal hair style for the day and Beth got it down to a T, so much so that I had a little cry as I was so relieved. On the day Beth made my hair look amazing and everyone commented on how lovely it was. It stayed in all afternoon and evening despite the humidity. Beth is also a lovely person and really put me at ease during the morning of the wedding. 10 stars x'
